

Amendments to the Specification

Please replace paragraphs [0032] and [0033] with the following rewritten paragraphs:

[0032] Figs. 5(a)-5(~~b~~d) are explanatory views for forming a holding material at the multiple optical path array type probe of the present invention.

[0033] Figs. 6(a)-6(~~b~~c) are schematic views of embodiments of the multiple optical path array type optical head.

Amendments to the Drawings:

The attached replacement drawing sheets makes changes to Figs. 1-6(c) and replaces the original sheets with Figs. 1-6(c).
